

**RESEARCH PAPERS READ OUT AT SEMINARS,  
CONFERENCES AND PUBLICATIONS**

<b>NAME OF Department</b>	<b>NO. OF PUBLICATIONS</b>	<b>TITLE</b>	<b>NAME OF AUTHOR</b>	<b>NAME OF JOURNAL</b>
Anesthesia	9	Awake blind nasal intubation in a patient with severe trismus due to submucous fibrosis	Sudhir Bhoje, Jitendra Waghmare, Ajinath Jadhav	MedPulse – International Medical Journal
		Intravenous clonidine for intraoperative hemodynamic stability during laparoscopic surgeries	Sudhir Bhoje, Jitendra Waghmare	MedPulse – International Medical Journal
		Use of low dose intravenous ketamine for paediatric anaesthesia	Sudhir Bhoje, Jitendra Waghmare	MedPulse – International Medical Journal
		Comparative study of intrathecal bupivacaine and clonidine combination versus bupivacaine and dexmedetomidine for gynaecological procedures	Madhuri Pramod Lonikar , Shubhada Anand Patil, Mohd. Imran Haroon	MedPulse International Journal of Anesthesiology
		Comparison between epidural tramadol and epidural fentanyl for post operative analgesia	Jitendra Raghunath Waghmare , Sudhir Bhoje	MedPulse – International Medical Journal
		Haemodynamic Changes in Laryngoscopy with Endotracheal Intubation and Laryngeal Mask Airway Insertion : A Comparative Study in General Surgery Patients	Jitendra Raghunath Waghmare , Shaikh Mudassir , Sudhir Bhoje	Indian Journal of Anesthesia and Analgesia
		Efficacy of dexmedetomidine infusion in patients undergoing tympanoplasty surgery under local Anesthesia	Shubhada Anand Patil , Madhuri Pramod Lonikar, Mohd. Imran Haroon	MedPulse International Journal of Anesthesiology
		A Comparison of Dexmedetomidine with Midazolam for Sedation in Elderly Patients Undergoing Regional Anesthesia	Shaikh Mohd Mudassir, Jitendra R Waghmare , Sudhir Bhoje	Indian Journal of Anesthesia and Analgesia
		Comparative study of intrathecal bupivacaine and clonidine combination versus bupivacaine and dexmedetomidine for gynaecological procedures	Madhuri Pramod Lonikar , Shubhada Anand Patil, Mohd, Imran Haroon	MedPulse International Journal of Anesthesiology
Anatomy	13	Variations in the branches of axillary artery :	Dr. Azhar A Siddiqui , Dr. Priya P	International Journal of Recent Trends

		A Case Report	Wattamwar, Dr.Swapna A Ambekar	in Science And Technology
		Variations in the lobar pattern of right lung : A case report	Dr. Azhar A Siddiqui, Dr. Hussain R Zuberi, Dr. Priya P Wattamwar	International Journal of Recent Trends in Science And Technology
		Bilateral cleft hand and foot: A case report	Dr. Azhar A Siddiqui, Dr. Swapna A Ambekar, Dr. Hussain R Zuberi	MedPulse – International Medical Journal
		Unusually long epiglottis : A case report	Dr. Azhar A Siddiqui, Dr. A G Shroff	MedPulse – International Medical Journal
		Morphometric study of foramen magnum in human skulls	Dr. Zuberi Hussain Riyaz, Dr. Azhar Ahmed Siddiqui	International Journal of Recent Trends in Science And Technology
		MORPHOLOGICAL AND MORPHOMETRIC STUDY OF JUGULAR FORAMEN IN MAHARASHTRIAN POPULATION		International Journal of Anatomy and Research
		Morphometric analysis of Infra orbital foramen in human skulls	Zuberi Hussain Riyaz , Khwaja Moizuddin, Azhar Ahmed Siddiqui	Indian Journal of Anatomy & Surgery of Head, Neck & Brain
		Study of suprascapular notch of scapula and its clinical relevance	Zuberi Hussain Riyaz, Azhar Ahmed Siddiqui	MedPulse – International Medical Journal
		Cadaveric study of morphological variations of fissures and lobes of lungs and their clinical Significance	Priya P Wattamwar , Azhar Ahmed Siddiqui	MedPulse – International Journal of Anatomy
		STUDY OF DERMATOGLYPHICS IN CARCINOMA CERVIX	Priya P Wattamwar , P. B. Hosmani	MedPulse – International Journal of Anatomy
		A morphometric study of glenoid cavity of adult human scapula	Moosa Shajjiya Sarwar, Diwan C V, Abdul Rafe, Habeeb-ur-Raheman, Shadab Munawar Moosa	International Journal of Recent Trends in Science And Technology
		Variations in the brain circulation – the circle of Willis	Syed Yaseen, Zuberi Hussain Riyaz, Azhar Ahmed Siddiqui	Indian Journal of Neurosciences
		Hemiagenesis of Thyroid Gland: A Case Report	Dr. Swapna A. Ambekar, Dr. Priya P. Wattamwar , Dr. Azhar A. Siddiqui & Dr. Hussain R. Zuberi	International Journal of Scientific and Research Publications
Biochemistry	5	Thyroid hormones in female patients with depression	Shaista Shaikh, Dhanajay V Bhale	MedPulse – International Medical Journal
		Study of good and bad cholesterol in Surgical and natural menopause	Raviraj Naik, Sarika Dakhure, Leela Abhichandani	International Journal of Recent Trends in Science And Technology

		Screening of neonates for Glucose -6-Phosphate Dehydrogenase deficiency in Adivasi area of Vasai Taluka	Raviraj Naik, Sarika Dakhure,Ritu Chandel ,Leela Abhichandani	International Journal of Recent Trends in Science And Technology
		High sensitive C- reactive protein and ceruloplasmin in hypertension	Miss Mulani Manzura R , Dr. Mrs. Ganu Jayashree V.	Indian Journal of Basic and Applied Medical Research
		Comparative Study of Blood Glucose and Glycosylated Hemoglobin Levels and Clinical Profile in Low Body Weight (lean), Nonobese and Obese Types 2 Diabetes Mellitus	Dhananjay V. Bhale	International Journal of Recent Trends in Science And Technology
Community Medicine	8	Career choices regarding medical education among first year medical students of IIMSR Medical College, Badnapur, Jalna, Maharashtra, India		International Journal of Community Medicine and Public Health
		Finding the treatment result of tuberculosis patient according to their socioeconomic class and area of leaving	Rajesh C Sambutwad,Vasant Wagh,V S Rathod,A Mudey	International Journal of Recent Trends in Science And Technology
		To find out treatment outcome between HIV positive and HIV negative tuberculosis patient in a rural hospital of Wardha district Maharashtra	Rajesh C Sambutwad,V S Rathod, Vasant Wagh,A Mudey, Sanjay Chaudhary	International Journal of Recent Trends in Science And Technology
		Knowledge Regarding Breastfeeding amongst ANC Women in Rural Field Practice Area of IIMSR Medical College, Badnapur, Maharashtra, India	Rajesh C. Sambutwad, Mohd. Shafee, Pankaj R. Gangwal	Indian Journal of Forensic and Community Medicine
		Prevalence of morbidity and morbidity pattern among primary school children in rural area of Jalna, Maharashtra, India	Hina Kausar, Rajesh C Sambutwad, Mohd Shafee	International Journal of Community Medicine and Public Health
		A Study of Domestic Violence in Working Women	Hina Kausar, Shruti P	Indian Journal of Forensic and Community Medicine
		Assessment of Satisfaction among OPD Patients at Noor Hospital , Warudi , Badnapur	Hina Kausar,Mohd.Shafee, P R Gangwal	MRIMS Journal of Health Sciences
		Knowledge Regarding Breastfeeding amongst ANC Women in Rural Field Practice	Rajesh C. Sambutwad1, Mohd. Shafee , Pankaj R. Gangwal	Indian Journal of Forensic and Community Medicine

		Area of IIMSR Medical College, Badnapur, Maharashtra, India		
ENT	6	Original Research Article Our experience of auricular hematoma treatment in wrestlers	Vilas R. Kirdak, Sambhaji G. Chintale, Kaleem Shaikh, Sonali Jatale	International Journal of Otorhinolaryngology and Head and Neck Surgery
		Original Research Article Our experience of 30 cases of mucormycosis of nose and paranasal sinuses	Vilas R. Kirdak, Sambhaji G. Chintale, Sajit Shaikh, Kaleem Shaikh, Sonali Jatale	International Journal of Otorhinolaryngology and Head and Neck Surgery
		Original Research Article Our experience of clinico-pathological study of thyroid swelling	Vilas R. Kirdak, Sambhaji G. Chintale, Sonali P. Jatale, Kaleem A. Shaikh	International Journal of Otorhinolaryngology and Head and Neck Surgery
		Original Research Article Retrospective study of analysis of 100 cases of septorhinoplasty by open versus closed rhinoplasty approach	Vilas R. Kirdak, Sambhaji G. Chintale, Sonali P. Jatale, Kaleem A. Shaikh	International Journal of Otorhinolaryngology and Head and Neck Surgery
		Original Research Article Correlation of HRCT mastoid with clinical presentation and operative findings in ear diseases	Sambhaji G. Chintale, Vilas R. Kirdak, Sonali P. Jatale, Kaleem Shaikh	International Journal of Otorhinolaryngology and Head and Neck Surgery
		Original Research Article Our experience of 200 cases of thyroid surgery under local anaesthesia versus general anaesthesia	Sambhaji G. Chintale, Vilas R. Kirdak, Sonali P. Jatale, Kaleem Shaikh	International Journal of Otorhinolaryngology and Head and Neck Surgery
Extra	26	Comparative Study of Blood Glucose and Glycosylated Hemoglobin Levels and Clinical Profile in Low Body Weight (lean), Nonobese and Obese Type 2 Diabetes Mellitus	Dhananjay V. Bhale	International Journal of Recent Trends in Science And Technology
		Postappendectomy wound infection - incidence and management	Syed Qaisaruddin ,Raghuveen Bhonsle , Abhishek Jadhav	International Journal of Recent Trends in Science And Technology
		To find out treatment outcome between HIV positive and HIV negative tuberculosis patient in a rural hospital of Wardha district Maharashtra	Rajesh C Sambutwad, V S Rathod, Vasant Wagh , A Mudey , Sanjay Choudhary	International Journal of Recent Trends in Science and Technology
		Comprehensive understanding of cervical incompetence with feasible various treatment modalities: Conservative and	R G Narwade, P L Bhanap	International Journal of Recent Trends in Science and Technology

	surgical - A review article		
	Comprehensive understanding of cervical incompetence with feasible various treatment modalities: Conservative and surgical A review article	R G Narwade , P L Bhanap	International Journal of Recent Trends in Science and Technology
	Original Research Article Female sexual dysfunction amongst rural postmenopausal woman	Anjanadevi S. Santpure, Swati N. Nagapurkar , Purushottam A. Giri , Prasad L. Bhanap	International Journal of Reproduction, Contraception, Obstetrics and Gynecology
	Original Research Article Study of biosocial factors affecting laparoscopic tubal ligation in rural Maharashtra , india	Swati N. Nagapurkar, Anjanadevi S. Santpure , Purushottam A. Giri , Prasad L. Bhanap	International Journal of Reproduction, Contraception, Obstetrics and Gynecology
	Original Research Article Female sexual dysfunction amongst rural postmenopausal woman	Anjanadevi S. Santpure <sup>1</sup> , Swati N. Nagapurkar , Purushottam A. Giri , Prasad L. Bhanap	International Journal of Reproduction, Contraception, Obstetrics and Gynecology
	Research Article Prevalence of morbidity and morbidity pattern among primary school children in rural area of Jalna, Maharashtra, India	Hina Kausar, Rajesh C Sambutwad, Mohd Shafee	International Journal of Community Medicine and Public Health
	Adherence to highly active antiretroviral therapy in Hyderabad, India: barriers, facilitators and identification of target groups		
	Various Socio-Demographic Factors Affecting the Children's Immunization in Rural Areas	Sharad Bansal, Lalit Une & R.C Mahajan	International Journal of Current Medical And Applied Sciences
	Disease severity & its Importance in selecting cost effective measures for Dengue management	Sunil Santaji Shivekar <sup>1</sup> , Anand Shankarao Patil , Gopal Rangasamy	Indian J Microbiol Res
	Absorbable suture materials for primary repair of episiotomy and second degree tears (	Kettle C, Dowswell T, Ismail KMK	Published by John Wiley & Sons, Ltd.
	Clinical study of outcome induction of labour	Swati Nagapurkar, Roohi Shaikh	MedPulse – International Medical Journal
	A case of eclampsia with cerebral hemorrhage in the postpartum period	Smita S Aundhekar (Patne), Roohi Shaikh	MedPulse – International Medical Journal

		Outcome of Type III open tibial fracture	Sarang Vyawahare, Abdul Naser, Rajeev Mohagaonkar, Uday Phute	MedPulse – International Medical Journal
		Use of low dose intravenous ketamine for paediatric anaesthesia	Sudhir Bhope, Jitendra Waghmare	MedPulse – International Medical Journal
		Study of incidence of oligohydramnios during pregnancy at IIMSR Medical College, Warudi, Jalna	Swati N Nagapurkar , Bhagyashri Ranjwan	MedPulse – International Journal of Gynaecology
		Evaluation of maternal and perinatal morbidity and mortality in previous caesarean section cases	Swati Nagapurkar , Mahesh Tandale	MedPulse – International Journal of Gynaecology
		Evaluation of maternal and perinatal morbidity and mortality in previous caesarean section cases	Swati Nagapurkar , Mahesh Tandale	MedPulse – International Journal of Gynaecology
		Outcome of trial of labor and scar in patients with previous caesarean section	Mahesh Tandale , Swati Nagapurkar	MedPulse – International Journal of Gynaecology
		Outcome of trial of labor and scar in patients with previous caesarean section	Mahesh Tandale , Swati Nagapurkar	MedPulse – International Journal of Gynaecology
		“COMPARATIVE STUDY OF LIPID PROFILE IN YOUNG SMOKERS AND NON- SMOKERS”	DR. SYED MUSTAFA ASHRAF	pRAJIV GANDHI UNIVERSITY OF HEALTH SCIENCES, BANGALORE, KARNATAKA.
Medicine	13	Original Research Article Prevalence of prolonged corrected QT interval and its impact on outcomes in patients admitted in medical intensive care unit	Pandharinath S. Gawali, Sachin N. Solanke, Sudhir L. Tungikar	International Journal of Advances in Medicine
		Clinical profile of acute coronary syndromes in CCU of IIMS and R Medical college and hospital Jalna district	P S Gawali, Sudhir Tungikar, Amol Videkar	International Journal of Recent Trends in Science And Technology
		Clinical study of hypertensive emergencies in young patients in tertiary health care centre	Sanjay V. Patne, Kailas N. Chintale, S. Tungikar, Pravin Dhadse, Sandip R. Dukare	ASIAN PACIFIC JOURNAL OF HEALTH SCIENCES
		Study of maternal and neonatal outcome in pregnancy with heart disease	Sanjay V. Patne , S. Tungikar , Abhimanyu Shinde	ASIAN PACIFIC JOURNAL OF HEALTH SCIENCES
		Research Article Study of clinical profile of stroke patients in rural tertiary health care	Sanjay V. Patne, Kailas N. Chintale	International Journal of Advances in Medicine

		centre		
		Research Article Clinical profile of organophosphorus poisoning patients at rural tertiary health care centre	Kailas N. Chintale, Sanjay V. Patne , Sanjay S. Chavan	International Journal of Advances in Medicine
		Research Article Study of clinical profile of stroke patients in rural tertiary health care centre	Sanjay V. Patne , Kailas N. Chintale	International Journal of Advances in Medicine
		Original Research Article Clinical profile of patients with thrombocytopenia at tertiary health care centre	Sanjay V. Patne , Kailas N. Chintale	International Journal of Advances in Medicine
		Intravenous metoprolol in severe hypertension	Pravin N Soni , Seema P Soni	International Journal of Recent Trends in Science And Technology
		Original Research Article Study to assess the knowledge regarding diabetes management amongst medical intern and nursing staff in tertiary care teaching hospital in Marathwada region of Maharashtra, India	Rohini S. Kulkarni , Sachin N. Solanke, Purushottam A. Giri , Jagdish A. Chavan	International Journal of Advances in Medicine
		ROLE OF EXERCISE STRESS TEST IN DETECTING UNDERLYING MYOCARDIAL ISCHEMIA	Sachin N. Solanke, Nandkumar D. Kulkarni	J of Evolution of Med and Dent Sci/
		Original Research Article Study to assess the knowledge regarding diabetes management amongst medical intern and nursing staff in tertiary care teaching hospital in Marathwada region of Maharashtra, India	Rohini S. Kulkarni , Sachin N. Solanke, Purushottam A. Giri , Jagdish A. Chavan	International Journal of Advances in Medicine
		Original Research Article Study to assess the knowledge regarding diabetes management amongst medical intern and nursing staff in tertiary care teaching hospital in Marathwada region of Maharashtra, India	Rohini S. Kulkarni , Sachin N. Solanke, Purushottam A. Giri , Jagdish A. Chavan	International Journal of Advances in Medicine
Microbiology	18	Evaluation of Biofilm Formation by Three Different Methods and its Antibiogram with Special Reference to Indwelling Medical Devices from a Tertiary Care Hospital	Sufia Siddhiqui, Uzma Afreen and Santosh Kotgire	<a href="http://www.pacificjournals.com/aplam">www.pacificjournals.com/aplam</a>
		Microbiological profile of leucorrhoea in	Sufia M. Siddiqui , Uzma Afreen ,	International Journal of Medical

	patients attending a tertiary care hospital at jalna	Kotgire Santosh A., Karan Ostwal , A.B. Deshmukh	Microbiology and Tropical Diseases
	Bacterial contamination of mobile phones of healthcare workers at a tertiary care hospital	Sufia Siddiqui , Hafiza Jamal , Santosh Kotgire <sup>3</sup> , Uzma Afreen	Indian Journal of Microbiology Research,
	Bacteriological Profile and Antimicrobial Sensitivity Pattern of Clinical Isolates from Patients Attending Tertiary Care Hospital	Kotgire Santosh. A, Sunil Hatkar. S, Sufia Siddique, A.B. Deshmukh, Uzma Afreen and Sayyed Mariya	Indian Journal of Microbiology Research,
	Aerobic Bacteriological Profile and its Antimicrobial Sensitivity Pattern From Blood Culture Specimens in A Tertiary Care Hospital	Santosh A. Kotgire, Sunil Hatkar S	<a href="http://www.pacificjournals.com/aplam">www.pacificjournals.com/aplam</a>
	Neonatal septicaemia: Its bacteriological profile and antibiogram	Santosh Kotgire , Sunil Hatkar	International Journal of Medical Microbiology and Tropical Diseases
	To define usefulness of blood culture in microbiological diagnosis of ventilatorassociated pneumonia (VAP)	Kotgire Santosh A	Indian J Microbiol Res
	Review Article Ventilator-associated pneumonia (VAP)-An overview	Dr. Kotgire. Santosh. A	Kotgire. Santosh., Sch. J. App. Med. Sci
	Prevalence and Antibiogram of Uropathogens from Patients Attending Tertiary Care Hospital: An overview	Kotgire Santosh, Sufia Siddiqui	International Journal of Medical Microbiology and Tropical Diseases
	International Journal of Medical Microbiology and Tropical Diseases	Santosh Kotgire , Nilima Tankhiwale,S . Tankhiwale , Abhijit De , Debabrata Das	International Journal of Medical Microbiology and Tropical Diseases
	Antimicrobial profile of inducible clindamycin resistant strains of staphylococcus species	Sunil Hatkar, Sucheta Lakhani , Santosh Kotgire	IP International Journal of Medical Microbiology and Tropical Diseases
	Baseline widal titre among the healthy individuals: a study in and around Badnapur, Marathwada region at Tertiary Care Hospital	Sunil Sonu Hatkar, Santosh Arvind Kotgire , Alka Ramchandrasingh Thakur	Indian J Microbiol Res
	Sero-prevalence of anti-streptolysin 'O' antibodies at tertiary care hospital: A two year of prospective study	Sunil Hatkar , Santosh Kotgire, Sufia Siddiqui	International Journal of Medical Microbiology and Tropical Diseases

		Original Research Article Sero-Prevalence of Hepatitis 'B' Virus Infection: A Teaching Hospital Based Study	Sunil Hatkar, Jaya Baviskar and Santosh Kotgire	Int.J.Curr.Microbiol.App.Sci
		Seroprevalence of HIV infection in thalassemia patients in a tertiary care hospital	Shaikh Mohd Habeeb, Dilip Turbadkar , Sujata Baveja , Anita Ramchandran , Chaya Kumar Mridul Randive	MedPulse International Journal of Microbiology
		Seroprevalence of Chikungunya cases in a tertiary care hospital in Mumbai	Sujata Baveja , Shaikh Mohd Habeeb, Anita Ramchandran , Dilip Turbadkar , Chaya A Kumar ,Mrudul Randive	MedPulse International Journal of Microbiology
		Journal of Microbiology and Related Research	Ranjana Hawaldar	Journal of Microbiology and Related Reasearch
		The Journal of Datta Maghe Institute of Medical Sciences	Editorial Correspondence Chief Editor,JDMIMS	The Journal of Datta Maghe Institute of Medical Sciences
OBGY	18	Risk factors for ante partum haemorrhage: A hospital based study	Swati Nagapurkar,Archana Tale, Bhagyashri Ranjwan	International Journal of Recent Trends in Science And Technology
		Study of biosocial factors affecting laparoscopic tubal ligation in rural Maharashtra, India	Swati N. Nagapurkar1 , Anjanadevi S. Santpure , Purushottam A. Giri , Prasad L. Bhanap	Nagapurkar SN et al. Int J Reprod Contracept Obstet Gynecol
		Clinical study of outcome induction of labour	Swati Nagapurkar,Roohi Shaikh	MedPulse – International Medical Journal
		A Comlparative study of absorable synthetic versus chromic catgut suture in the repair of episiotomy	Swati Nagapurkar	MedPulse – International Medical Journa
		Study of incidence of oligohydramnios during pregnancy at IIMSR Medical College, Warudi, Jalna	Swati N Nagapurkar , Bhagyashri Ranjwan	MedPulse – International Journal of Gynaecology
		Evaluation of maternal and perinatal morbidity and mortality in previous caesarean section cases	Swati Nagapurkar , Mahesh Tandale	MedPulse – International Journal of Gynaecology
		Comprehensive understanding of cervical incompetence with feasible various treatment modalities: Conservative and	R G Narwade, P L Bhanap	International Journal of Recent Trends in Science And Technology

		surgical A review article		
		Comparative study of birth weight in newborns in tribal and non-tribal area in Marathwada region of Maharashtra, India	Ramdas G. Narwade , Uttam B. More	Indian Journal of Obstetrics and Gynecology Research
		Trade-off between non-closure of parietal peritoneum in tubal ligation cases at rural medical college in central Maharashtra	R G Narwade, P L Bhanap	MedPulse – International Medical Journal
		The effects of maternal age and parity on birth weight in a tribal community of Kinwat, Nanded, Maharashtra, India	Ramdas G. Narwade, Uttam B. More	International Journal of Reproduction, Contraception, Obstetrics and Gynecology
		Factors affecting birth weight in a rural community at IIMSR Medical College and Noor Hospital, Varudi , Badnapur , Jalna	R Narwade, Roohi Shaikh,, P L Bhanap,Sharad Bansal	MedPulse – International Medical Journal
		Female sexual dysfunction amongst rural postmenopausal woman	Anjanadevi S. Santpure1 , Swati N. Nagapurkar , Purushottam A. Giri , Prasad L. Bhanap	International Journal of Reproduction, Contraception, Obstetrics and Gynecology
		Evaluation of thromboprophylaxis in bad obstetric history patients with elevated antiphospholipid antibodies	Anjanadevi Santpure , Prasad Bhanap	MedPulse – International Medical Journal
		Study of Maternal mortality in a tertiary care center	Anjanadevi Santpure, Kanan Yelikar,Sonali Deshpande	MedPulse – International Medical Journal
		Outcome of trial of labor and scar in patients with previous caesarean section	Mahesh Tandale , Swati Nagapurkar	MedPulse – International Journal of Gynaecology
		Shirodkar’s Extended Manchester Repair: A Conservative Vaginal Surgery for Genital Prolapse in Young Women and Reinforcement of Weak Uterosacral Ligaments with Merselene Tape: Retrospective and Prospective Study	Roohi Shaikh , Suman Sardesai	International Journal of Recent Trends in Science And Technology
		A case of eclampsia with cerebral hemorrhage in the postpartum period	Smita S Aundhekar (Patne), Roohi Shaikh	MedPulse – International Medical Journal
		Female sexual dysfunction amongst rural postmenopausal woman	Anjanadevi S. Santpure1 , Swati N. Nagapurkar , Purushottam A. Giri , Prasad L. Bhanap	International Journal of Reproduction, Contraception, Obstetrics and Gynecology
Orthopedic	11	Original Research Article Chronic insertional	Athar Ahemad M. A., Naser Mohd	International Journal of Research in

	achilles tendon ruptures treated by suture anchor repair and augmentation with flexor hallucis longus tendon transfer	Abdul, Mushir Ali Syed	Orthopaedics
	Original Research Article Comparison of tunnel widening between interference screw and suture disc fixation after ACL reconstruction using CT scan	Athar Ahemad M. A. , Anand B. Anerao	International Journal of Research in Orthopaedics
	Management of unstable intertrochanteric fractures in the elderly: Osteosynthesis vs hemiarthroplasty	Athar Ahemad , Ritesh Pathak, Nasser M A	MedPulse – International Journal of Orthopedics
	Excision of ganglion cysts of hand: A study of 71 cases	Athar Ahemad, Uday Rajput	International Journal of Recent Trends in Science And Technology
	Evaluation of treatment of fracture neck femur with uncemented bipolar prosthesis	Abdul Naser, Sarang Vyawahare	International Journal of Recent Trends in Science And Technology
	Original Research Article Superiority of fixed stem bipolar prosthesis over Austin Moore prosthetic in fracture neck femur	Mohd Abdul Naser, Ritesh Pathak, Ather Ahmad	International Journal of Research in Orthopaedics
	Outcome of Type III open tibial fracture	Sarang Vyawahare, Abdul Naser, Rajeev Mohagaonkar, Uday Phute	MedPulse – International Medical Journal
	Shaft Humerus Fractures Treated with Interlocking Nails Vs Dynamic Compression Plate - A Comparative Study	Mohd Abdul Naser , Ritesh Pathak , Athar Ahmad	MedPulse – International Journal of Orthopedics
	Original Research Article Evaluation of volar locking plate fixation for management of intraarticular fractures of distal end of radius	Ritesh S. Pathak , Athar Ahemad, Jitendra Pimple	International Journal of Research in Orthopaedics
	Original Research Article Comparative study between interlocking nail and V-nail in management of fracture shaft tibia	Ritesh S. Pathak, M. A. Naser	International Journal of Research in Orthopaedics
	Evaluation of outcome of medial opening wedge high tibial osteotomy with an external ring fixator for medial compartment osteoarthritis of knee with varus deformity	Ansari Abdullah, Mohd. Abdul Naser, Anil Dhule	MedPulse – International Journal of Orthopedics

Pediatric	7	Original Research Article Adverse events following immunization with pentavalent vaccine in a tertiary care hospital	Sharad Bansal, R. C. Mahajan	International Journal of Contemporary Pediatrics
		Original Research Article Impact of mobile use amongst children in rural area of Marathwada region of Maharashtra, India	Sharad Bansal, R. C. Mahajan	International Journal of Contemporary Pediatrics
		Maternal Socio-Demographic Factors and Newborn Birth Weight in a Rural Area of Maharashtra state	Sharad Bansal, Lalit Une, R. C Mahajan & R. G. Narwade	International Journal of Current Medical And Applied Sciences
		Prevalence of Prelacteal Feeding among Newborn in Rural Area	Sharad Bansal, Lalit Une & R. C. Mahajan	International Journal of Current Medical And Applied Sciences [IJCMAAS]
		Socio-Demographic Factors and Morbidity Profile of the Paediatric Patients Attending for Various Health problems	Sharad Bansal, Lalit Une, R. C Mahajan & R. G. Narwade	International Journal of Current Medical And Applied Sciences [IJCMAAS]
		Various Socio-Demographic Factors Affecting the Children's Immunization in Rural Areas.	Sharad Bansal, Lalit Une & R.C Mahajan	International Journal of Current Medical And Applied Sciences [IJCMAAS]
		Incidence of polycythemia in with high risk antenatal and natal history	R C Mahajan <sup>1</sup> , Lalit Une , Sharad Bansal	International Journal of Recent Trends in Science And Technology
Pathology	8	Histopathological study of lesions of female genital tract in rural Maharashtra	Anand .S .Patil , Rahul M. Jadhav, Piyush Narkhede	IP Journal of Diagnostic Pathology and Oncolog
		Seroprevalence of Transfusion Transmitted Infections in blood donors at a rural based tertiary care teaching hospital in India	Dr. Murtuza Shaikh <sup>1</sup> , Dr. K.S. Bhople	IOSR Journal of Dental and Medical Sciences (IOSR-JDMS)
		Cyto-histopathological spectrum of palpable breast lesions presenting in rural based medical college and hospital at Warudi, Jalna (Maharashtra) India	Murtuza Shaikh, Tooba Fatima	MedPulse International Journal of Pathology
		ABO and Rhesus Blood Group Distribution among Blood Donars from Rural based Medical college & Hospital at Warudi , Jalna ( Maharashtra) India	Murtuza Shaikh, K.S.Bhope	Indian Journal of Phathology : Research and Practice
		Cytological evaluation of benign breast lesions with histopathological correlation at	Vijaya Wane , Rahul Jadhav, Kashinath Bhople , Sachin	MedPulse International Journal of Pathology

		rural setup	Nachane	
		Semen analysis – An evaluation of 170 cases in rural India	Rahul Jhadav , Sheetal Mahajan , K.S. Bhople	IP Archives of Cytology and Histopathology Research
		Disease severity & its Importance in selecting cost effective measures for Dengue management	Sunil Santaji Shivekar,, Anand Shankarao Patil,Gopal Rangasamy	Indian J Microbiol Res
		INDIAN JOURNAL OF PATHOLOGY: RESEARCH AND PRACTICE	R.K. Bhatnagar	Indian Journal of Pathology: Research and Practice (IJPRP)
Pharmacology	10	Prescription pattern in OPD of a tertiary care hospital in a rural area of Jalna Dist, Maharashtra, India	Imran Nawaz Khan, Ajay R. Chandrakapure, Mohammed Mateenuddin,Syed Arif,Sapna Giri, Mohammed Faheem	MedPulse – International Medical Journal
		Systematic review of prescription writing revisited	Imran Nawaz Khan	MedPulse – International Medical Journal
		Prevalence of ESBL Production in Gram Negative Isolates in a Tertiary Care Hospital in Gulbarga	Sufia M. Siddiqui , Imran N. Khan, Bilal Ahmed , P. Akther	International Journal of Recent Trends in Science And Technology
		Pharmacovigilance: a study to evaluate knowledge, attitude, and practices of and impact of educational intervention among doctors in teaching hospital, in rural area of Jalna, India	Ajay R. Chandrakapure, Sapna P. Giri, Imran N. Khan, Mohammed Mateenuddin, Mohammed Faheem	International Journal of Basic & Clinical Pharmacology
		Pharmacovigilance in dental practice: A study to evaluate knowledge, attitude and practices (KAP) of reporting of adverse drug reactions (ADR) among dental practitioner in a city of central region of Maharashtra, India	Ajinath Jadhav, Ajay Chandrikapure , Pooja Tarte (Jadhav)	MedPulse – International Journal of Dentistry
		Evaluation of efficacy and tolerability of eperisone and thiocolchicoside in treatment of low back pain associated with muscle spasm: An open label, prospective, randomized controlled trial	Syed H. Maaz1, Prakash N. Khandelwal , Shiraz M. Baig , Sudhakar M. Doifode , Ulhas M. Ghotkar	International Journal of Basic and Clinical Pharmacology
		Efficacy of Atorvastatin in Prevention of Contrast-induced Nephropathy in High-risk	Maaz Hussain Syed, Prakash Narayan Khandelwal , Vijay R.	Journal of Pharmacology and Pharmacotherapeutics

		Patients Undergoing Angiography: A Double-blind Randomized Controlled Trial	Thawani , S. S. Katare	
		RESEARCH ARTICLE Efficacy of eperisone and tizanidine on visual and auditory reaction time: A prospective, double-blind randomized controlled trial	Shadab Munawar Moosa , Maaz Hussain Syed , Yaser Mohammed Askari	National Journal of Physiology, Pharmacy and Pharmacology
		Evaluation of efficacy and safety of doxofylline 800mg sustained release tablet in treatment of patients with COPD: an open label, prospective and RCT	Prakash N. Khandelwal , Syed H. Maaz, Dhammraj M. Borade	International Journal of Basic & Clinical Pharmacology
		Drug utilization study in OPD of a tertiary care hospital in a rural area of Jalna, Maharashtra, India by using WHO prescribing indicators	Shruti Chandra, Imran Nawaz Khan, Mohd Mateenudin, Ajay Chandrakapure, Syed Maaz, Faheem Mubin	International Journal of Basic & Clinical Pharmacology
Surgery	11	Original Research Article Clinical study of prolene hernia system in inguinal hernia repair	Syed Obaid, Sohail Quazi	International Surgery Journal
		Laparoscopic mesh versus open mesh repair of inguinal hernia a comparative study	Syed Obaid	International Journal of Recent Trends in Science And Technology
		Original Research Article The reliability of fine needle aspiration cytology in the diagnosis of thyroid swelling	Syed Obaid, Anand Auti	International Surgery Journal
		Original Research Article Desarda's versus Lichtenstein technique of inguinal hernia repair	Obaid Syed	International Surgery Journal
		Postappendectomy wound infection - incidence and management	Syed Qaisaruddin, Raghuvver Bhonsle, Abhishek Jadhav	International Journal of Recent Trends in Science And Technology
		Inguinal hernia repair - with and without mesh	Syed Qaisaruddin, Raghuvver Bhonsle, Abhishek Jadhav	MedPulse – International Medical Journal
		Original Research Article Clinical profile of carcinoma breast cases at a tertiary care hospital	Arifa Almas	International Surgery Journal
		Original Research Article Hypercalcemia in advanced cases of carcinoma breast: hospital based study	Arifa Almas	International Surgery Journal

		Original Research Article A three year prospective study-suspected acute appendicitis: diagnostic accuracy of modified Alvarado score versus ultrasonography in adults	Murhari D. Gaikwad <sup>1</sup> , Anand Auti, Avinash Magare	International Surgery Journal
		Open tension free mesh inguinal hernia repair: Recovery and recurrence after three years	M D Gaikwad, Anand Auti, Avinash Magre	MedPulse International Journal of Surgery
		Original Research Article Single dose antibiotic prophylaxis for prevention of surgical site infection in elective surgery		
TOTAL	163
