Subject:

Establishment of New Medical College at Jalna, Maharashtra by Jamia Islamia
Ishaat-ul-Uloom, Nandurbar, Maharashtra u/s 10A of the IMC Act, 1956 for the
academic year 2013-14.

Sir/ Madam,

In continuation to this Council's Letter of Intent dated 14/07/2013 and with reference to your letter dated 14/07/2013, I am directed to convey the approval of the Board of Governors for establishment of new medical college at Jalna, Maharashtra in the name and style of "Indian Institute of Medical Sciences and Research, Jalna, Maharashtra" by Jamia Islamia Ishaat-ul-Uloom, Nandurbar, Maharashtra with an annual intake of 100 (One Hundred) students with prospective effect i.e. from the academic year 2013-14 u/s 10A of the IMC Act, 1956, as amended.

This permission of the Board of Governors, Medical Council of India for establishment of new medical college and admission of students is initially for a period of one year. It will be renewed on a yearly basis on verification of achievements of annual target set out in the project report. This process of annual renewal of permission will continue till such time the establishment of medical college and expansion of hospital facilities are completed as per the norms of Medical Council of India.

In addition to above, this is further to inform you that while making admissions of your college to MBBS course it shall be ensured that:

- (i) No admission is permitted beyond the sanctioned intake capacity;
- (ii) Selection of Students to the Medical College is in accordance with the requirements laid down in the Graduate Medical Education Regulations, 1997;
- (iii) The admission process for the academic year 2013-14 has to be completed in accordance with the time schedule indicated in the Graduate Medical Education Regulation, 1997, as amended. No admission is permitted beyond the cut-off date.

It shall be incumbent upon the Medical College that the information relating to admissions could be submitted within a fortnight of closure of admissions to the Council. Any failure to submit information within this time limit would be construed that the admissions in the College were not in accordance with the statutory requirements, thereby enabling the Council to proceed in accordance with law against the College.

भारतीय आयुर्विज्ञान परिषद् MEDICAL COUNCIL OF INDIA

I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year as stipulated in Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for renewal of permission for the next academic year and this letter of permission is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law.

The college shall not admit more than one batch of students against this letter of permission. The college shall also apply to Medical Council of India for renewal of permission well before the commencement of next academic session. While applying for such renewal, the achievements in terms of infrastructure, staff and equipments as spelt out in the time bound action plan and as per the norms by Medical Council of India, must be clearly indicated. The next batch of students shall not be admitted unless renewal of permission is granted by the Board of Governors, Medical Council of India.

Yours faithfully,

[Dr. DAVINDER KUMAR]

ORDER

Heard the learned senior counsel appearing for both
the sides.

Looking at the peculiar facts and circumstances of
the case and, especially, when several seats for medical
admission are likely to remain vacant for the academic

year 2014-15, we are of the view that these matters require urgent consideration and we are giving these interim directions under the provisions of Article 142 of the Constitution of India.

There is one more reason for passing this interim order. We are conscious of the fact that number of physicians in our country is much less than what is required and because of non-renewal of recognition of several medical colleges, our citizens would be deprived of a good number of physicians and therefore, we are constrained to pass this order, whereby at least there would be some increase in the number of physicians after five years. We are running against time because the last date for giving admissions to MBBS Course for the academic year 2014-15 is 30th September, 2014.

We also desire to reconsider the directions given by this Court in the judgment of Priya Gupta v. State of Chhattisgarh [(2012) 7 SCC 433], but at this juncture, as we do not have sufficient time to decide all these petitions finally, we are passing this interim order and the matter with regard to reconsideration of the aforesaid judgment would be considered while finally disposing of this group of petitions.

It has been submitted on behalf of the learned senior counsel appearing for all the petitioners/respondents, who are managing medical colleges, that the

defects which had been recorded at the time of the last inspection by the representatives of the Medical Council of India have been duly rectified and at present, the defects pointed out in the reports do not exist. The said fact can be ascertained only by having a fresh Compliance Verification/Inspection. However, the stand taken by the Central Government and the Medical Council of India is to the effect that no such inspection can be undertaken in the present academic session because of paucity of time and it would violate the time schedule laid down by this Court in the case of Priya Gupta (supra).

The learned senior counsel appearing for the Medical Council of India has also submitted that the petitioners do not have any legal right for getting renewal of the recognition, especially in view of the fact that the Verification/Inspection Reports are not available for the period in question. The learned senior counsel has relied upon some of the Judgments to substantiate his case and according to him, it would not be just and proper to permit the said medical colleges to take fresh batch of students.

Looking at the peculiar facts of the case and the circumstances stated hereinabove, we direct the petitioners to file undertakings by President/Chairman and Secretary of the petitioners' institutions running

medical colleges within 10 days from today, to the effect that there is no defect in the medical colleges run by them and they would also state that their deposit with the MCI, which is around Rs.10 crores, be forfeited by way of penalty if the statement made in the undertaking is found to be incorrect at the time of the next inspection. A draft undertaking has been given to this Court. A copy of the undertaking, which might be filed by the institutions, shall be served upon the office of the Medical Council of India as well as to the Ministry of Health and Family Welfare, Govt. of India, New Delhi.

We also record the fact that in the recent past, the Medical Council of India has renewed recognition of Government Medical Colleges on the basis of undertakings and therefore, we see no reason not to permit the private colleges to admit students on the basis of undertakings given by their office bearer as a special case.

Notwithstanding any direction given in the case of Priya Gupta (supra), if undertakings as stated hereinabove are filed by the institutions managing medical colleges for the academic year 2014-15, admissions shall be given to the students from the merit list prepared by the States and they shall be charged fees prescribed by the Government Medical Colleges of

their respective States. The State Authorities, i.e., the Directorate of Medical Education & Research, of the respective States shall send students, in order of their merit, to the medical colleges run by the petitioners, which are situated within their States, within one week from the date of receipt of a copy of this order and the said students shall be admitted to the MBBS Course in accordance with the rules and regulations of the MCI and also regulations dated 16.04.2010 framed by the Medical Council of India, provided undertakings as mentioned above are filed on behalf of the concerned institutions.

It is also clarified that there would be no further counselling in respect of the students who are to be given admission, even if it might result into some heart burning among other students, but in the peculiar facts of the case, we give this direction.

In no case, the admission shall be given after 30th September, 2014. This order shall also apply to all the institutions which had filed their petitions earlier for renewal of their recognition for the academic year 2014-15, but their petitions were rejected or withdrawn for whatever reason, provided undertakings as stated hereinabove are filed by President/Chairman and the Secretary of those institutions. All those petitions shall be deemed to have been revived and this order shall be deemed to have been passed in those cases also. This

order shall only be in respect of renewal of recognition and not for creation of additional seats or for new colleges.

We also record that the Union of India has supported the petitioners in the interest of students. We also direct the Union of India to give wide publicity to this order in print as well as electronic media in the interest of the concerned students.

It is directed that the list of students getting admission in pursuance of this order shall be placed on record of this Court by 1st October, 2014 by the concerned institutions and a copy thereof shall also be sent to the MCI.

These matters shall be treated as part-heard and shall be notified for further hearing in the month of December, 2014.
